

CALL FOR

International Conference of Educational and Professional Guidance 2017

Educational and Professional Guidance to build the future

To be held on November the 29th, 30th and December 1st, 2017

at Auditorium "Dr. Raoul Fournier Villada" of the Faculty of Medicine, UNAM

The International Conference of Educational and Professional Guidance 2017 bring together the Second National University Conference of Educational Guidance, the International Conference of Guidance IAEVG/AIOEP 2017 and the 11th National Conference of Educational and Vocational Guidance, AMPO'2017.

PURPOSE

To analyze and discuss the approaches and contributions of Educational and Vocational Guidance, public and institutional policies and their relationship with current demands in today's world, as well as the challenges that affect daily life, the educational and professional trajectories of young people; to promote the construction of new strategies and interventions across different levels of education that will prepare the new generations for social change and transformation with a sense of responsibility and ethical commitment.

TOPICS

- I. Institutional Policies and educational guidance:
Social rights, inclusion, health, disability, discrimination, migration, gender equality and sustainable development.
- II. Intervention in educational and vocational guidance:
Innovative educational and vocational guidance approaches, intervention and programs appropriate for individuals and groups, including the use of ICT.
- III. Young people of the 21st century and their guidance and counselling needs related to: citizenship and school bullying, well-being and dignity, mental health, sexual and reproductive services, challenges in using ICT and social networks, transition to adulthood, perspectives for educational, social and economic development.
- IV. Training, professionalization, identity and social engagement the guidance practitioners and counsellors:
Updating of educational and training programs for guidance practitioners, counsellors and careers advisers in different fields and educational levels and across educational levels
- V. Influence of changing labour market opportunities on ways of working:
Analysis of new scenarios and ways of working, as well as, the labour market.

ADDRESSED TO

Educational, vocational and career practitioners and counsellors, faculty, professionals and students interested in this discipline may participate.
The official languages of the Conference are Spanish and English, simultaneous translation to English will be offered at the Keynote speeches and activities that require it.
